Developer's Note

Growing up, we all had the opportunity to enjoy nature at its best. Open fields, fresh air, and tons of playtime with our friends. That's why we wanted to gift families a present that would be enjoyed by their loved ones for years to come. A place where children have an opportunity to grow up with amenities that make their childhood an absolute delight. While their parents have an opportunity to relive their childhood days with their little ones. Ample space, airy abodes, and a club where merry times become merrier

Mr. Kailash Chandra Lohia
Chairman
